Capability Statement

Every Part Traceable to Its Approved Manufacturer.

COMPANY OVERVIEW

Nathan Hale Inc. is a New York small business supplying National Stock Number items and commercial parts to the Defense Logistics Agency, the military services, and federal civilian agencies. We furnish the precise part number specified in each solicitation, procured from its approved source and delivered packaged, marked, and documented in accordance with the contract. We also provide software, cloud, and DevOps engineering services and IT, cybersecurity, cloud, and AI/ML training.

CORE COMPETENCIES

Approved Source, Exact Part Number
We quote the exact CAGE and part number. No unapproved alternates.

Auditable Traceability
POs, invoices, packing lists, and CoCs trace every item, available before or after award.

Dependable Delivery Commitments
Lead time is confirmed with the manufacturer before we quote.

Packaging and Marking to Contract
MIL-STD-2073-1 packaging, MIL-STD-129 marking, and RFID as required.

No Brokers, No Open-Market Sourcing
Parts only from the OEM or authorized distributors (DFARS 252.246-7008).

A Single Point of Accountability
Quotes via DIBBS, SAM.gov, or as directed; a named contact per award.

QUALITY AND COUNTERFEIT AVOIDANCE

01 **Approved Source Only.** Bought from the OEM or its authorized distributor.

02 **Inspected on Receipt.** Markings, quantity, and lot checked against the PO and CoC.

03 **Original Packaging.** Unit packs stay intact until military packaging.

04 **Fully Documented.** PO, invoice, CoC, and packing list retained per contract.

05 **Complete Record Required.** Anything that fails a check does not ship.
